The National Workforce Network (NWN) supports medium to large employers with recruitment right across Australia.

Your NWN account manager will coordinate all of your recruitment via our local networks.

NWN provides employers access to:

- Services at no cost.
- A single, central point of contact for your recruitment needs across Australia.
- A national pool of job seekers from a diverse range of backgrounds.
- Pre-screened job seekers suited to your vacancies.
- Reference and background checks for bulk recruitments.
- Pre-employment programs tailored to your business — including relevant licenses or accredited training.
- Wage subsidies for eligible placements.
- Assistance with the set-up of apprenticeships and traineeships.
